**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want better service. We have the choice of only broadband provider, and they're terrible--price goes up constantly, but service declines. Since my husband and I both work from home, broadband access is critical for us, but I want better options. I want to support a local provider, and I want faster speeds with better service.
